Spring 2 Newsletter

We have had a lovely start to the spring term and have already enjoyed learning about animals and their habitats, snow and ice, Chinese New Year and our different routines.

This terms focus will be:

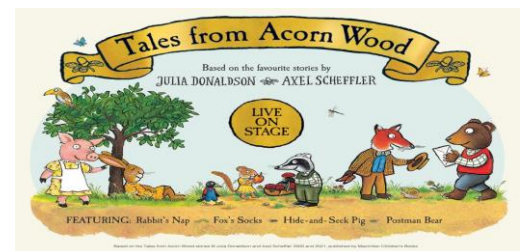

24 th February - Superheroes
3 rd March - Traditional stories
10 th March - Science week
17 th March - Wildlife / woodland / sea
24 th March - People who help
31 st March - Jungle week

Pancake Day 4th March - We will be serving pancakes to the children for snack using vegan batter and soy milk, in order to allow all the children to try them.

6th March - World Book Day

This year's books for little readers will be celebrating 25 years of Tales from Acorn Wood. Each child will receive a £1 book token that can be exchanged for a free book.

Stay and Play

Our next stay and play date will be **Tuesday the 4th of March between 9.15 - 10.15**

Our last day was such a great success where our parents and careers interacted with their children. It was so lovely to see you all and share some time with our families.

This time we will be making pancakes to have with some fresh fruit and hopefully having some races!

A polite request.

We have had a lot of children off in the last few weeks with high temperatures. Can we please ask that when your child is unwell and has a temperature that you keep them at home until their temperature returns to normal. Giving a child Calpol will lower a child's temperature and help them to feel better, but when it wears off (around 4 hours later) they will start to feel poorly again, and their temperature will rise. Therefore, please do not administer Calpol to your child, and then send them into pre school. A temperature of over 38 degrees can cause febrile convulsions and is a sign that your child is fighting infection.

Our outdoor play area.

We are always trying to provide new and engaging resources for the children, and this term we have bought a giant Connect 4 game, a basketball hoop, and some fabulous bug bikes, which the children are absolutely loving. So much so that we are going to get 2 more!

We are also having our very own mud kitchen built. We are just waiting for the designs to arrive.

PLEASE PLEASE PLEASE

If anyone is able to help with feeding the school chickens over weekends, can you please let the school office know, and book a slot. If you are able to help (on Saturday and Sunday) once you have received your slot, please feel free to use the school grounds to have a picnic, make use of the play equipment and you could walk your dog - just please don't allow them to scare the chickens and make sure you clear up after them.

Wrap around care

As a community pre school we are always looking for ways to support our families. We are trying to find out what the need for breakfast club and after school club may be. This is just a question at the moment and will make a decision if we could offer this facility if enough people would like it. These sessions **would be** chargeable in order to cover staff costs.

Dates for your diary

Last day of term Friday 4 th April
Return to school Tuesday 22 nd April
Summer Fundraiser afternoon Wednesday 25 th June
